

MEMORANDUM OF UNDERSTANDING

Between

AVICENNA – Batumi Medical University

and

Kamianets-Podilskyi Ivan Ohienko National University

AVICENNA – Batumi Medical University represented by its Rector, Prof. Sophio Beridze, and Kamianets-Podilskyi Ivan Ohienko National University represented by its Rector, Prof. Serhii Kopylov, referred to as “parties”, in order to foster, develop and expand a friendly relationship taking into consideration mutual interests in scientific and academic collaboration hereby agree on the following:

1. The parties promote development of relationship and implement cooperation in the sphere of education and science.
2. The collaboration between the parties shall be implemented in the following spheres:
 - Promotion of joint research efforts including the exchange of faculty and research members.
 - Development of joint curricula, including dual degree and non-degree programs;
 - Development of student exchange programs and organization of joint educational and training activities, also with a view to sharing good clinical practice experiences.

➤ Organization of joint academic and scientific activities such as conferences, seminars, symposia and congresses.

3. Exchanges done within the joint research works shall be planned separately by taking into consideration each university's facilities and conditions; the rules and procedures of the exchange program shall be determined in separate protocols between the parties.
4. The academic exchanges described above shall be limited to legislation in force in each country and to its respective budgetary resources.
5. This protocol shall not cause any binding financial obligation for either party.
6. Signature of this protocol shall not cause any obligation for either party to enter into any specific agreement relating to cooperation between the two universities.
7. In case research results impacting upon matters of intellectual property rights are expected to arise in the course of collaborative projects within the scope of this protocol, the parties shall enter into an additional protocol governing the conditions regarding the treatment of intellectual property rights so arising, prior to the start of the collaborative project in question.
8. The execution of this protocol shall be subject to the laws in force for each party and its country. The parties are responsible for obtaining the required in-house, or similar, approvals in accordance with the legislation they are subjected to.
9. This protocol shall be in effect for five (5) years following the date of signature. This protocol may be complemented or amended by the written and common consent of authorized representatives of both universities and additional protocols to this protocol. The Addenda or amendments will not be valid unless they are written and signed. The protocol may be renewed by written and signed consent of the parties.
10. This MOU is a non-binding expression of the current intentions of the Parties, and neither Party will incur nor be bound to any legal obligations or expense hereunder to the other Party until and unless definitive agreements ("ad hoc Agreements") have been negotiated, memorialized in

writing, approved by the necessary management levels of each Party, executed and delivered by authorized representatives of both Parties.

11. Each university shall reserve the right to terminate the protocol by giving a written notice to the other party six months in advance to the notification addresses specified below. In this case, ongoing projects will be completed. This Memorandum of Understanding shall commence on the date of latest signature and be in effect for five years.
12. The parties have right to terminate the memorandum through a written notice sent to the other side within a period of six months prior.
13. Amendments to this memorandum can be made upon mutual agreement between the parties.
